

Demand for a Special General Assembly by the FEPTO members present at the Annual Meeting in Kovacica 2010

We, FEPTO members, present in the FEPTO Annual Meeting in Kovacica 2010 are asking the Council to call a special General Assembly through its chairperson taking in consideration that the ordinary General Assembly can not take a place because of the lack of the quorum.

The lack of the quorum is a result of the closing of the European airspace.

We are asking:

- To decide about postponing the election of a new council for the General Assembly of 2011
- To discuss and vote on the accountancy of 2009 and the budget of 2010
- To present the auditor's report
- To vote on the discharge of the Executive Council
- To vote for the membership of the Polish Institute of psychodrama and the Psychodrama Forum Berlin

Kovacica, 20.04.2010
